GLOW GUIDE

Apply the lip oil directly onto bare lips for a natural finish, or for a smoother, more even application, gently exfoliate your lips with a soft lip scrub or a damp washcloth beforehand.

OIL UP: TIPS & TRICKS

To lock in moisture - Apply lip oil over a lip balm to seal in hydration.

For a shiny finish - Apply lip oil over a lipstick or lip liner for a shiny, dewy finish.

For deeper hydration - Apply a thick layer of lip oil overnight.

BUDGET-FRIENDLY LIP COMPANIONS
